- Solidarity with the Poor
- Justice and Peace

About Us

Since 1992, St. Felix Pantry has been a safety net for people struggling to support their families in times of need.

Everyone at St. Felix Pantry is given respect for their dignity, compassion in the midst of suffering, hope for their children, and a place that welcomes and empowers them for their journey.

Food, compassionate support, and referral services are provided free of charge to those who come to us in need.

St. Felix Pantry is the only food pantry in Sandoval County that allows vital weekly access to food. We are open to all residents of New Mexico, regardless of income or address!
