

ST. FELIX PANTRY

feeding those in need since 1992

OUR HISTORY

St. Felix Pantry began with Sr. Genevieve. As a child she would share bread with her neighbors. That desire to help those in need never went away. She joined the Felician Sisters, and after moving to Rio Rancho saw a need to share bread with her neighbors again. She picked up day old bread from local businesses and distributed it to people in need from the trunk of her car. Over time the program expanded into a one-car garage and eventually to the current buildings on Barbara Loop SE.

Today we continue Sr. Genevieve's dream to give bread and other food to the hungry in our community.

OUR MISSION

St. Felix Pantry restores hope to families and individuals in need by providing food, compassionate support, and referral services in the Felician Franciscan tradition.

OUR VISION

In the tradition of the Felician Sisters, St. Felix Pantry will continue to feed the body and soul while helping our communities create futures of greater opportunity.

FOOD PANTRY

St. Felix Pantry is a vital source of weekly groceries for any New Mexican in need, regardless of income or location. The need is great - **each week we feed over 500 individuals and households.**

REFERRAL SERVICES

Food insecurity doesn't exist alone - so we offer emergency assistance to individuals and families with past-due bills. We also connect our guests with other services and resource information.
